Kindness Is The Language Which The Deaf Can Hear And The Blind Can See

Where there is kindness
there is goodness.

A single act of kindness,
throws out roots in all
directions, and the roots
spring up and
make new trees.

Good Samaritan

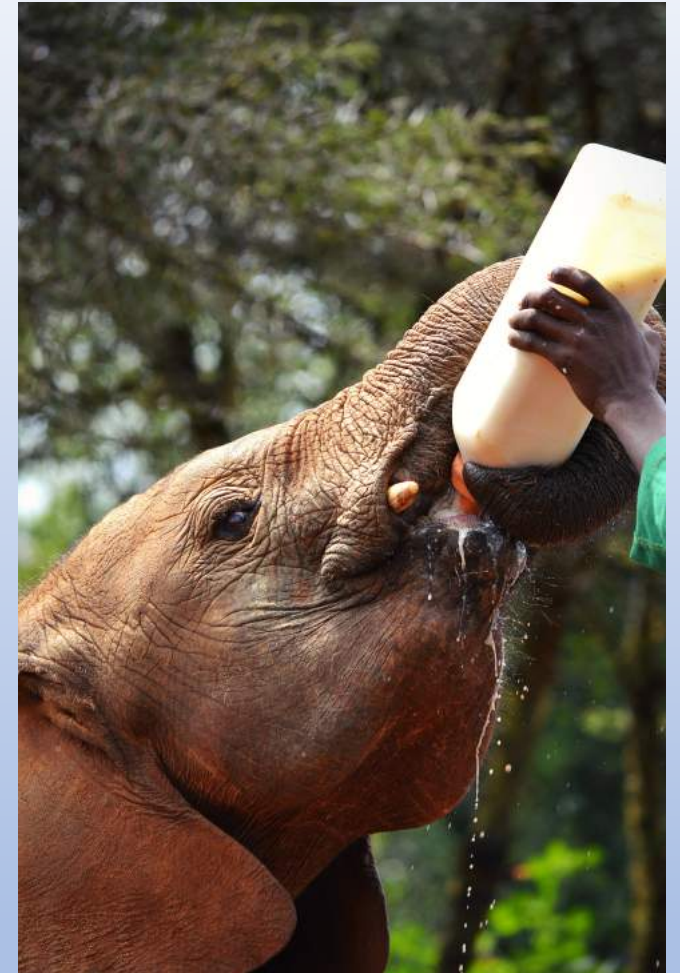

A person who selflessly helps others especially those in distress.

Every act creates a ripple with no logical end.

A Good Sort

An affable,
charismatic and
dependable
person.

Honesty is the beating
heart in good people.

Martin Luther King Jr., A Testament of Hope.

“It may well be that we will have to repent in this generation. Not merely for the vitriolic words and the violent actions of the bad people, but for the appalling silence and indifference of the good people who sit around and say, "Wait on time.”

Positive Change Requires Joint Efforts

“All that is necessary for evil to prevail is for good people to do nothing.”

— Carlton Smith

It's a lot easier to do good work when you have good words to say and work with good people.

Good Groups - Not Alone

“Irrespective of any political party, I am a supporter of good people who want to do something for the society.” Kapil Dev

I feel the only true selfless good deed that one can do is something that he or she does without even realizing that it's doing good to anyone.

Love Fully, Freely, Wholeheartedly

*Just one good deed a day
can inspire a feeling of
purpose in you, a feeling
that there is meaning
to your life.*

A GOOD DEED A WEEK

- *Let your first check of the year be to charity.
- *Help a friend in need.
- *Volunteer for an hour at an organization of your choice.
- *Save electricity by unplugging your devices when not in use.
- *Buy a gift for your mother or grandmother – just because.

Why is it good to work in the community?

Working in community services, you will have an impact on the welfare of vulnerable people. Every single day you make a difference to the quality of people's lives. Good actions towards those who are struggling the most helps them have better days and hope for a brighter future.

Many Are Vulnerable

Support Efforts To Educate

“During a crisis you will find there are 3 types of people.”
James Hauenstein.

First, there are people who say, "I don't care what happens to other people as long as it doesn't affect me."

Second, there are people who will think, "How can I rip people off and make money off of this?"

Third, there are people who will ask, "How can I help?"

It Takes Practice To Be The Person Who Is A Source Of Compassion And Honesty

Wine and cheese are
ageless companions,
like aspirin and aches,
or June and moon, or
good people and
noble ventures.
